Group Personal Accident Insurance:

Upon registration and starting school, your child will be covered by Group Personal Accident Insurance. The insurance is paid by MOE. Coverage includes accidents that may occur within the premises of the MOE Kindergarten or during activities organised by the kindergarten (e.g. during field trips). More information will be provided on the first day of school.

WELL-BEING OF CHILDREN

Children who return to kindergarten after recovering from an infectious disease, but are still showing symptoms of illness (after the expiry of medical certification), will need to produce a certificate of health from the medical practitioner for the child to return to the kindergarten.

MOE KINDERGARTEN FEE

The monthly fee for MK in 2025 is:

 \$160 for Singapore Citizens (SCs)

 \$320 for Singapore Permanent Residents (PRs)

Fees are also payable during the June and December holidays as fees are calculated on an annual basis and spread over 12 months, including school holidays.

MOE KINDERGARTEN FEE – WITHDRAWAL POLICY

If parents wish to withdraw before the child starts school, withdrawal notice should be submitted in writing or via e-mail before first calendar day (regardless whether it is a Saturday, Sunday or Public Holiday) of the month of enrolment.

Similarly, if parents wish to withdraw the child at any point in time of the year, **one complete calendar month's advance notice needs to be given**, or else fees will be charged for both the current and following months.

For example:

If the child is starting school in January, the withdrawal notice should be submitted before 1 January to avoid incurrence of Kindergarten fees.

If the withdrawal notice is served on 1 January, the current month (i.e. January) Kindergarten fee will be charged.

If the withdrawal notice is served on/after 2 January, January and February Kindergarten Fees will be charged as we require at least one complete calendar month's advance notice to be given.
