

Learning Without Walls: The World As Our School

At Frontier Primary School, we embrace the belief that the world is our school, where every experience becomes a meaningful learning opportunity. Beyond the classroom, our Frontierers engage with real-world environments - through nature explorations, community visits, and global connections - to deepen their understanding and spark curiosity.

These experiences empower our Frontierers to apply classroom learning in authentic contexts, nurturing the development of Emerging 21st Century Competencies (E21CC) such as critical and inventive thinking, communication, collaboration, and civic literacy. By learning from the world around them, our Frontierers grow into confident, compassionate, and future-ready individuals. They become active contributors, equipped with the skills and values needed to thrive in an ever-evolving global landscape. At Frontier Primary School, the world truly is our classroom and our inspiration.

Lower Primary Games Day & Primary 3 to 6 Sports Day

Ending Term 1 on a High Note: Frontierers Embrace Sportsmanship and Spirit

Frontier Primary School concluded Term 1 with a burst of energy and excitement through our much-anticipated Lower Primary Games Day and the Primary 3 to 6 Sports Day. This year's theme, ***“Winning with Humility, Losing with Grace,”*** served as a powerful reminder for all Frontierers to celebrate effort, uplift one another, and demonstrate good sportsmanship—regardless of the outcome.

Lower Primary Games Day Highlights

Our youngest Frontierers enjoyed a morning of fun-filled activities held within their intra-class groups, focusing on teamwork, coordination, and joy-filled learning.

Primary 1: Building Skills Through Play

Game 1: Frontierers tested their balance and focus by carefully transporting a table tennis ball across the room using a plastic spoon – an exciting challenge in control!

Game 2: In a fun mix of luck and skill, Frontierers aimed to bounce three table tennis balls into an egg tray, cheering one another on with every try.

Game 3: With beanbags in hand, Frontierers aimed for hula hoops placed at varying distances. Points were scored based on accuracy and landing zones, making it both challenging and enjoyable.

Primary 2: Timed Team Challenges

Game 1: Against the clock, Frontierers raced to toss as many balls as possible into a basket placed 3 metres away - combining aim and speed!

Game 2: Teamwork was the key as Frontierers worked together to move a hula hoop from start to end using only one index finger each – requiring precision and unity.

Game 3: In a true test of cooperation, students held hands and passed a hula hoop down the line – without breaking the chain – bringing out plenty of laughter and encouragement.

G.R.E.A.T. Highlights - *Graciousness Together*

Lower Primary Games Day & Primary 3 to 6 Sports Day

Primary 3 to 6 Sports Day Highlights

Primary 3 Frontierers participated in intra-class games, beginning with designing their own balls from recycled materials. This creative start set the tone for a day filled with teamwork, resilience, and fun!

Primary 4 Frontierers demonstrated speed, skill, and strategy during the inter-class tele-matches featuring running, throwing, and dribbling challenges that kept everyone on their toes!

Primary 5 & 6 Frontierers had a thrilling inter-class Captain's Ball competition, showcasing outstanding teamwork and agility. Every pass and play reflected their cooperation and competitive spirit.

Throughout the morning, the focus extended beyond physical activity. Our Frontierers honed their E21CC skills in Collaboration and Adaptive Thinking while displaying perseverance, and mutual support to create a memorable experience filled with cheers and shared triumphs.

As we reflect on this vibrant and action-packed day, we are proud of every Frontierer for embracing the true spirit of sportsmanship. They have shown that success is not only about winning, but about doing so with humility, resilience, and heart.

S-eLF L.E.S.S. A

Student-centric, Values-driven Leadership Development @ Frontier

On Friday, 14 March 2025, our Primary 3 to Primary 5 student leaders took part in the S-eLF-L.E.S.S. A student leadership training — a meaningful session focused on embracing differences and fostering strong, supportive relationships. Through a series of collaborative activities that included partnering our students from MK@Frontier, our young leaders learned the importance of teamwork, empathy and inclusivity.

The Junior Alumni members returned to the school and supported this programme by being the facilitators for the training. The training not only strengthened their leadership capabilities but also deepened their commitment to making a real, lasting impact in their community. It was an empowering experience that nurtured the leaders of tomorrow.

Student Leaders Investiture

On Monday, 28 April 2025, Frontier Primary School proudly marked a significant milestone in our student leadership journey with the Student Leaders Investiture 2025 — a meaningful occasion honouring both newly appointed and reappointed student leaders! This year's ceremony was especially meaningful as, for the first time ever, our School eLF Council and Primary 5 CCA leaders came together in a single event to be formally recognised and celebrated. From loud applause to heartfelt speeches, the energy in the hall was truly inspiring!

The ceremony concluded on a high note as our student leaders took the Student Leaders Pledge — a powerful reminder of their responsibility to serve and lead for the betterment of all Frontierers. Let's continue to cheer on our young leaders as they grow, lead, and shine!

Friendship Beyond Border Programme and International Friendship Day Celebration

The Friendship Beyond Border programme is a signature Character and Citizenship Education (CCE) initiative in Frontier Primary School that provides a meaningful platform for our Frontierers to explore and understand diverse cultures and educational practices. Through these enriching exchanges, both students and educators from both schools will gain valuable insights, broaden their perspectives, and build enduring friendships across borders.

Continuing a proud tradition, a group of Primary 4 Frontierers, accompanied by our school leaders and staff, warmly hosted students and educators from Santa Laurensia Elementary School during their three-day visit from Monday, 21 April to Wednesday, 23 April 2025.

Coinciding with the visit, the school also commemorated International Friendship Day on Monday, 21 April 2025 with the theme **“Singapore: Forging Friendships in a Complex World!”** Through an engaging assembly programme, our Frontierers and guests explored the cultures and traditions of ASEAN countries, while learning how Singapore fosters strong ties with its neighbours. These shared experiences deepened their appreciation for cultural diversity and highlighted the importance of nurturing friendships in an interconnected world.

As true friendship transcends borders, we eagerly anticipate future opportunities to grow these meaningful partnerships and strengthen our collective global understanding. Click on this [link](#) to watch the videos that captured our precious moments.

Hari Raya Aidilfitri Celebration

This year's Hari Raya celebrations at Frontier Primary School were filled with festive joy and meaningful experiences! The celebration began with celebration-infused CCE lessons, allowing our Frontierers to deepen their understanding of Hari Raya's values and significance.

The recess activities brought everyone together as they enjoyed the games and photo booth, all made possible with the enthusiastic support of our Parent Partnership Community (PPC). Throughout the celebrations, beautiful decorations around the school created a festive atmosphere. It was truly a celebration that fostered unity, appreciation, and festive cheer among the Frontier family!

G.R.E.A.T. Highlights - *Rigour in Learning*

Primary 1 Learning Journey

Our Primary 1 Frontierers embarked on their first learning journey to the Frontier Community Club (CC) and Jurong West Public Library on Wednesday, 30 April 2025. At the community club, they discovered how such shared spaces help bring people together and foster a strong sense of community spirit. They also reflected on what it means to be a responsible and caring member of the neighbourhood.

At the library, our Frontierers explored a world of stories and knowledge, and were encouraged to borrow books to spark a lifelong love for reading. Along the way, they picked up valuable library etiquette — from keeping voices low to returning books to their rightful places, and respecting shared spaces. These important habits shape them into responsible and considerate library users.

G.R.E.A.T. Highlights - *Rigour in Learning*

Primary 5 Camp

The Primary 5 camp, held from Tuesday, 15 April to Thursday, 17 April 2025, was an unforgettable experience filled with joy, exploration, and connection for our Frontierers.

The camp featured a variety of daily fun and educational activities that had been thoughtfully planned to foster teamwork and establish mutual trust among the campers. Notable highlights included the thrilling high elements course, in which our Frontierers' resilience and bravery shone through. Their first outdoor cooking adventure was a success which everyone thoroughly enjoyed. Even the rainy first day could not dampen the enthusiastic spirit of our Frontierers!

G.R.E.A.T. Highlights - *Rigour in Learning*

Primary 5 Camp

The lively campfire lit up everyone's spirits as the campers gathered to sing, dance, and cheer with boundless energy. This enriching experience not only helped our Frontierers develop new skills and confidence, but also strengthened their friendships and sense of unity within the school community. Here's to growing together — the Frontier way!

G.R.E.A.T. Highlights - *Rigour in Learning*

Trips for Internationalisation Experience (TIE) to Indonesia

A group of 29 P5 Frontierers went on a TIE to Jakarta, Indonesia from Tuesday, 18 February to Friday, 21 February 2025. It was the school's first overseas school trip post-COVID-19.

Our Frontierers experienced authentic learning in Santa Laurensia Elementary School where they participated in cultural activities and forged valuable friendships with the Indonesian students. They also explored many interesting places like Pantjoran Pantai Indah Kapuk (PIK), the new Chinatown, Kite Museum, Taman Mini Indonesia Indah (TMII), Fatahillah Square and the Puppet Museum.

G.R.E.A.T. Highlights - *Rigour in Learning*

Trips for Internationalisation Experience (TIE) to Indonesia

They learnt about kite-making, played traditional games and made traditional crafts such as potty dolls and did eco-print batik on a tote bag. Through the fruitful learning experience, our students deepened their cultural appreciation and understanding of the Indonesian culture.

Click on the link for a recap of the many wonderful and enjoyable moments in Jakarta, Indonesia!

G.R.E.A.T. Highlights - *Rigour in Learning*

Primary 1 and 2 Sports Education Programme (SEP)

Our Primary 1 and 2 Frontierers had a blast during their PE lessons through the Sports Education Programme (SEP)! The Primary 1 Frontierers learned how to bounce safely and confidently on mini trampolines while having loads of fun.

The Primary 2 Frontierers picked up rope skipping skills to spark a lifelong hobby — and they each got to bring home their very own skipping rope! What an exciting way to stay active and

healthy!

G.R.E.A.T. Highlights - *Enterprise Spirit*

Maker Education Workshop 2

On Wednesday, 9 April 2025, a group of enthusiastic Frontierers unleashed their creativity in a fun and hands-on Maker Education activity — designing their very own personalised keychains using shrinking plastic. Through this exciting hands-on crafting experience, our Frontierers were not just creating beautiful keepsakes - they were honing important skills too! From applying inventive thinking and practising fine motor skills to exploring material properties, every step of the process nurtured their E21CC — fostering adaptive and inventive thinking, communication, and collaboration.

Our Frontierers brainstormed ideas, shared tools, supported one another, and reflected thoughtfully on their designs, all while having a blast! Every keychain told a story — and every Frontierer who participated in the workshop grew a little more confident, adaptable, and inventive through this learning experience.

G.R.E.A.T. Highlights - *Enterprise Spirit*

Primary 3 Interdisciplinary Project Work (IPW)

From Monday, 7 April to Thursday, 10 April 2025, our Primary 3 Frontierers stepped into the role of Young Communicators with great enthusiasm! Armed with curiosity and creativity, they designed interactive posters using Maker Education tools to spread the message of water conservation. But that's not all! They also went on a virtual learning journey to visit Indonesian families and gain a deeper understanding of their water situation. This meaningful experience helped our young ones learn the value of empathy and gratitude, while embracing different perspectives from beyond Singapore's shores.

Through a dynamic blend of learning experiences, our Primary 3 Frontierers were also empowered to thrive as communicators, harnessing the power of critical, adaptive and inventive thinking. At the same time, they also learnt to articulate their ideas clearly and confidently while exercising their active listening skills in diverse contexts. Here's to raising young voices that care, connect, and create change!

G.R.E.A.T. Highlights - *Enterprise Spirit*

Primary 4 Interdisciplinary Project Work (IPW)

The Primary 4 IPW - Young Investigators took place from Tuesday, 1 April to Friday, 4 April 2025. Blending Math, Science, Art, and English, our Primary 4 Frontierers set sail on an exciting interdisciplinary adventure and dived into the world of boat-making — discovering how things float, sketching their ideas, building model boats, and proudly presenting them to their classmates and teachers.

This hands-on experience helped our Frontierers grow their E21CC in critical, adaptive and inventive thinking as well as collaboration and communication skills while fostering a deeper understanding of concepts through real-world application and teamwork in a fun, meaningful learning context. More than just building boats, they were building skills that will carry them far in life — and having a boatload of fun while at it!

G.R.E.A.T. Highlights - Affirmation Galore

Co-Curricular Activities (CCA)

Red Cross Youth CCA

The Disaster Risk Reduction Championships (DRRC) is an annual platform for Red Cross Youth (RCY) members to apply knowledge of Disaster Management in practical scenarios. Three Primary 5 Red Cross Youth CCA members, Darius Teo Ning Kai and Chau Zhi Qi (5 Resilience 4), and Quah Jing Rui, Javier (5 Resilience 6) participated in the Championships on Saturday, 12 April 2025 and attained the **Gold** award.

The school also received the following awards:

1. Director's Award - Quek Jun Yee (6 Loyalty 2)
2. First Aid Championships 2025 — **Silver**
3. Excellent Unit Award 2024 — **Gold**

Quek Jun Yee receiving his award for being the **most outstanding link** in the unit and in recognition of his **exemplary contributions and achievements** in his service with the Red Cross Movement

Chew Jing Yi (6 Loyalty 1) receiving the **First Aid Championship Silver** trophy on behalf of the school

Mrs Sandra Lee receiving the **Excellent Unit Award 2024** on behalf of the school

Wushu Competition

The 2025 National School Games Wushu Competition was held at Chung Cheng High School (Main) and OCBC Arena in April 2025. Our Frontierers trained hard and represented the school in the competition, achieving excellent results in numerous events.

Fang Ding Rong Kyle (5 Resilience 5) achieved the following:

- 2nd in the 1st International Broadsword event
- 3rd in the 1st International Changquan event
- 8th in the 1st International Cudgel event

Yap Zi Yuan (6 Loyalty 5) achieved the following:

- 4th in the 42-style Taijijian event
- 6th in the 42-style Taijiqian event

G.R.E.A.T. Highlights - *Thinking Beyond Self*

Pioneer Together Carnival

Frontier Primary School showcased our commitment to food security at the Pioneer Together Carnival on Saturday, 19 April 2025, creating public awareness of why food security is important to Singapore. A group of passionate Primary 4 Frontierers volunteered their service and took the spotlight, confidently sharing with the public how our school's hydroponics system shows that we can "grow more with less" through smart use of technology. Their enthusiasm and knowledge wowed the visitors and reminded us all: Everyone has a part to play in ensuring Singapore's food future. Our student volunteers led by example, demonstrating that every individual can make the difference and be the difference in ensuring that we do our part to ensure Singapore's food security. From curious questions to meaningful conversations, our young change-makers proved that age is no barrier when it comes to making a difference!

G.R.E.A.T. Highlights - *Thinking Beyond Self*

Outreach Experience 2 - ActiveSG's Serve to Lead

In our second Outreach Experience on Friday, 9 May 2025, our CCA leaders participated in an extension component of the CCA Leadership Programme to lead seniors from an Active Ageing Centre (AAC) as part of ActiveSG's Serve to Lead Programme in Frontier Primary School! This meaningful initiative gave our CCA leaders the opportunity to engage with seniors through fun activities such as Walking Captain's Ball, Seated Volleyball, and Bean Bag Tic-Tac-Toe.

G.R.E.A.T. Highlights - *Thinking Beyond Self*

Outreach Experience 2 - ActiveSG's Serve to Lead

Together with the seniors, our CCA leaders designed wishing cards which will be proudly displayed at the Singapore Sports Hub during a special visit with the seniors in celebration of SG60. As part of our school's Learning for Life Programme (LLP), DANCEFRONT, some of our CCA Leaders showcased their musical talents by performing songs. The seniors also participated in the Dance of the Nation 2024! A big shoutout to our CCA leaders for demonstrating compassion, creativity, and confidence in leading with heart!
